RMEL Foundation & the Electric Energy Industry

- OPPORTUNITIES
  Electric energy companies directly employ over 500,000 workers.

- ECONOMIC DRIVER
  Electric energy is a $737-billion industry.

- THE RMEL FOUNDATION
  The RMEL Foundation provides scholarships to deserving qualified college students focused on engineering or curriculum related to the electric industry with the intent of encouraging college students to pursue a career in the electric energy industry.

RMEL Foundation Scholarship Program

The RMEL Foundation’s purpose is exclusively to promote careers in the electric industry, especially to students.

2013 Scholarship

Applications are accepted January-March with recipients chosen and notified in April. Scholarships are awarded in June for the next school year.

Selection criteria are:

1. Goals and aspirations in the electric energy industry
2. Motivation to succeed
3. Service to community and school
4. Academic ability

Learn more about the RMEL Foundation Scholarship Program (including eligibility, deadlines and application) by visiting www.RMEL.org.

Application Deadline: March 8, 2013
