GRA Position Available for 2013-2014 Academic Year

Main Campus
Area: Office of the Knowledge Enterprise Development
Department: Decision Theater Network

General Information:
The Decision Theater is located in the Orchid House, behind the Brickyard off Mill and 7th Street in Tempe. The Graduate Research Assistant will have a workspace and computer provided at this location. Position is 20 hours per week at $18.75 an hour or $750 a pay period. Please see our website at http://dt.asu.edu/ for more information on our department. The GRA will assist in collection, organization, analysis and visualization of social network data. This work will be in a team environment and will support current and future Decision Theater projects.

Essential Functions:
The Decision Theater Network is looking for a student with experience in extracting data from Twitter and other social networks for data and network analysis, modeling and visualization.

Qualifications:
Required: Must be regularly admitted to a Master’s program on the Tempe Campus and experienced in general research.

Desired: Students should have strong computational and modeling skills, with some experience using tools such as Post GIS, Open Layers, Google Maps, SQL queries, R, and SAS.

Application Procedure:
Interested individuals must submit: a) letter of interest, b) curriculum vita, c) the names of three references, including references email addresses.
