FSE Tutoring Center

FE and PE Exam Info Session

Friday, April 8th
12p.m.- 1p.m.
ECF130
Tempe campus

Led by Professor Jean Andino (SEMTE), this session will answer your questions regarding the engineering licensure process, such as:

- What are the FE and PE Exams?
- Do I need to take the FE or PE Exam?
- Where can I take these exams?
- How should I prepare for the exams?

Pre-registration for this session is not required. This session is for students of all FSE engineering disciplines, and lunch will be provided.
