

Shine a Light on Career Paths in the Solar Industry

Join us for a panel discussion featuring business and educational leaders in the solar industry. Panelist will discuss the importance of interdisciplinary avenues in solar industry careers. A student and employer networking mixer will immediately follow with light refreshments. Hope to see you there!

Wednesday

April 10, 2013

5:00-6:30 p.m.

Memorial Union, Ventana Rm #241A
