

# Graphic Information Technology (GIT)

Wednesday, March 29 | 12:30 – 1:30 p.m.  
Student Union (UNION), Cooley Ballroom A  
Polytechnic Campus

Want a career that gives you creative freedom? Careers in GIT come from all industries and environments. Hear from professionals working for agencies, freelancing, and providing in-house marketing to major corporations. This forum is open to all students and will allow you to ask questions, get advice and network with a panel of employers.

## Panelists

- Melissa Baxter – Director of Digital Design, Uhaul International
- David Richardson – Freelancer, specializing in digital marketing and technology
- Eric Tozzi – Video Editor/Photographer, Laneterralever
- Adrienne Herren – Creative Director at Digital Dirt Media

Presented in  
partnership
