ISTFA needs **student volunteers** to help with conference room monitoring. Student volunteers are needed to monitor a room for **one full day (7:30am-5:30pm)**. Your assigned day will be decided at a later time.

Volunteers will be given a complimentary **FULL** conference registration (Total value of $240/$324 for member/nonmember) which includes all presentations, tutorials, and discussions.

The deadline to volunteer is **September 14th, 2018**. Please send your requests to

Ted.Kolasa@ngc.com (480-814-6218) or

Kathy.Murray@asminternational.org

ISTFA is considered one of the most respected symposia exploring electronic failure analysis. This diverse field includes a number of disciplines including:

- **Electrical Engineering**
- **Mechanical Engineering**
- **Materials Science**
- **Chemistry**
- **Physics**
- **Nuclear Engineering**
