

Be a part of the U.S. Department of Transportation's Southwest Region

# Women & Girls In Transportation Initiative Summer Internship

The USDOT Southwest Region Small Business Transportation Resource Center (SBTRC) is seeking MSI students interested in transportation-related WITI internships for Summer/Fall 2023.

- 6-8 week internship program
- Eligible for a stipend and potential course credit
- Focus on gaining transferable skills and networks to include USDOT
- Learn about other internship and career opportunities in the construction, transportation, and engineering industry
