

Case Cracked:

Unlocking Your Law School Future

Wednesday, March 27, 2024

2 - 3 p.m. (AZ) / 5 - 6 p.m. (EST)

Virtual via Zoom

Curious how AI and the law intersect?

Join us for an exclusive conversation featuring Regents and Foundation Professor of Law, **Gary Marchant** as he shares the state of AI and the law.

Along with Professor Marchant, hear from current law students on how they made their law school selection. Bring your questions for a live Q&A to help with your law school decision making process!
