

Space Career Fair

**The space industry is growing rapidly –
be a part of it.**

Space companies are coming to ASU and looking to hire students with a variety of backgrounds—from engineering, to business and Earth and space exploration. Bring your resume and join us at this career fair to meet and network with exciting employers working at the forefront of space!

Participating companies

General Dynamics Mission Systems

Viasat

MJS Designs, Inc.

RTX

Thunderbird School of Global Management - Space Leadership, Business, and Policy

US Army Program Executive Office Missiles and Space

...and more!

ASU Undergraduate, graduate students, and alumni are welcome. Please note that many companies require U.S. citizenship.
