

FSE 150 POSTER SESSIONS

FALL 2025

MONDAY 12/8

ECG 101

12:10 – 2:00 PM

TUESDAY 12/9

ECG 101

12:10 PM–2:00 PM

THURSDAY 12/11

ECG 101

12:10 PM–2:00 PM

Students will be presenting their solutions that create value for society by addressing needs related to Sustainability, Health, Security, and/or Joy of Living for the final course project, 'Futuristic Solutions for the Grand Challenges' through models and posters.

This event is come & go as you please, and food & refreshments will be provided. You will have the opportunity to talk to students about their work and give feedback to the teams via an evaluation form.
