

# Engineering your career

**Microelectronics roles and the skills employers want**

## Curious where your engineering degree can take you?

Join a live webinar hosted by the Ira A. Fulton Schools of Engineering, featuring insights from ASU engineering leaders with expertise in design, manufacturing and emerging technologies.

### You'll learn about:

- Emerging careers in semiconductor design and manufacturing
- In-demand skills across electrical, computer, materials, mechanical and manufacturing engineering
- How elective courses connect to future career paths

### Featured speakers

**Dr. Binil Starly**

School Director  
and Professor

School of Manufacturing  
Systems and Networks

**Dr. Michael Goryll**

Associate  
Professor

School of Electrical, Computer  
and Energy Engineering

**Dr. Terry Alford**

Associate Director  
and Professor

School for Engineering of  
Matter, Transport and Energy

**Date:** Wednesday, February 25, 2026

**Time:** 12:00–1:00 p.m.

**Location:** Zoom

**ASU** Ira A. Fulton Schools of  
**Engineering**  
Arizona State University
