

UNDERGRADUATE RESEARCH OPPORTUNITY

NSF CISE REU Student Funding Program
with Jeff Zhang Group

PAID RESEARCH • HANDS-ON EXPERIENCE • REAL IMPACT

Join the Zhang Research Group at ASU and work on cutting-edge problems in computer hardware design and LLMs for EDA. You will collaborate with graduate students and faculty, gain hands-on research experience, and contribute to advancing the future of energy-efficient, intelligent hardware systems.

Computer

Design

Chiplet-Based
Systems &
3D Integration

LLMs
for EDA

Hardware/
Software
Co-Design

WHAT YOU'LL EXPERIENCE

- Work on real research problems in computer hardware design and LLMs for EDA
- Collaborate with graduate students and faculty
- Gain hands-on experience with tools, simulation, and prototyping
- Opportunity to contribute to papers and presentations

DETAILS

Paid Position

Duration:
2026 Fall and
2027 Spring

Arizona State University
Tempe, AZ

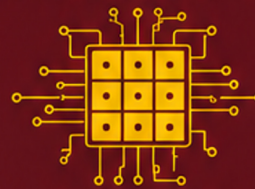

Open to undergraduate
students from ECE, CS,
CEN, or related fields

US Citizenship or
Permanent Resident
Required

DESIGN THE HARDWARE THAT POWERS THE FUTURE.
