FUTURE READY

AVIONICS HACKATHON

SCAN TO REGISTER NOW

Fri 10/2-Sun 10/4
Check in at 5PM
Engineering Center G, ECG101, Tempe

Help shape the future of flight.

Join Devils Invent for a hands-on avionics hackathon tackling AI-assisted engineering, safety assurance, collision avoidance, and scalable aircraft systems. Bring your software, hardware, or prototyping skills to build practical solutions with industry mentors.

FREE FOOD • INDUSTRY MENTORSHIP • $17,000 IN PRIZES
